

Travel of Mongolia.

Day 1 Ulaanbaatar (City tour)

Arrive in Ulaanbaatar the capital of Mongolia. Depending on time of arrival and transfer to hotel and after breakfast you will be enjoyed city tour including: Gandan monastery that is the biggest monastery in Ulaanbaatar and tourist attractive place and Buddhist center in Ulaanbaatar and see the statue of Megjidjanraisag God. Visit to the biggest square Sukhbaatar which is located in center point of Ulaanbaatar. Have lunch in Mongolian National Restaurant. After that, visit to Natural History Museum which is famous for its authentic dinosaur skeletons and fossils (Bogd khan palace museum) and visit Zaisan memorial hill to view of whole city from there. Welcome dinner at restaurant and stay overnight in hotel.

Day 2 Ulaanbaatar to Hustai National park

Drive to Hustai National Park to see the wild horses or Prezwalski horses and re-introduced back to Mongolia. The Hustai National Park in Mongolia is world famous for the successful reintroduction of the Prezwalski horse. In 2008, there are 20 groups of Prezwalski horses and their total number is reached over 230. In the evening time you have chance to more close to see and observe wild horses. There is a horse riding available at the national Park. Stay overnight in ger at tourist camp.

Day 3 Hustai National park to Karakorum (Erdenezuu monastery)

Early morning drive to Karakorum and arrive late afternoon, on the way picnic. Ancient capital of Mongolia Karakorum city was located on the right bank of Orkhon River and on the north-eastern slopes of the Khangai Mountain and founded by Chinggis khan in 1220, was not only the capital of the vast Mongolian Empire but the epicentre of trade along the Silk Road. At that time the inhabitants of city were mostly Merchants craftsmen who came to karakorum from all over the world. Khubilai khan moved to the capital of the Mongolian Empire to China, establishing the Yuan Dynasty, began losing its importance. In 1379 much of the city was badly damaged during an attack by the army of the Min Dynasty. Stay overnight in ger at tourist camp.

Breakfast and lunch at the tourist camp. There is a horse riding available at the National park. Packed lunch on the way. Stay overnight in hotel.

Day 6. Uushgiin uvur deer stone, khuvsgul lake.

Uushgiin uvur is the famous archeological site where we can find 14 deer stones, square burials and many Khirigsuur (ancient tomb) at the same time. Deer stones are ancient megaliths carved with symbols and the name comes from their carved flying deer. Uushgiin uvur deer stones are considered as the most clearly depicted stones. In total there 109 granite deer stones located from each other 3-20 meters and aligned in one line. There are many common images appear on the stones: animals, mostly deer, sun and moon, weapons and tools, patterns, shield, horses You will drive to the one of the biggest lake in Mongolia. This day will quite long drive and exploring about the lake. There are 4 islands named the Modon khui, the Khadan khui, the Dalai khui and the Baga khui. We will head to the Khadan khui island by motor boat and make wish there. Also you can see different species of a fishes. This area has been protected since 1992 as a National Park. The lake is still being used for transportation. Overstay in ger camp which is located beside of a lake.

Day 7. The khuvsgul lake is the cleanest lake in central Asia.

The fish such as Coregonus autumnalis, lota, Brachyismystax lenok, the water's of the lake. Khuvsgul lake area is a motherland to unique tsaatan . Overnight accommodation will be in Ger (B-L-D)

Day 8. After breakfast we drive to Murun city.

We must meet with our local guide. We drive to Tsaagan Nuur village./ we must change car by Russian van 4x4/ Check in at the Army headquarters and show our passports and document permission for the Taiga region. Then we will meet the nomad family supply us with the horses, and reindeer to go to Tsaatan family. The Family truly enjoy meeting guests. We will eat homemade Mongolian traditional food and can drink mare's milk, for those who would like to try this very Mongolian drink. Sleep in ger just like a Mongolian! Overnight accommodation will be in ger.

Day 9-10. Horse or Reindeer riding to the Family

Early morning We start riding to East Taiga (South Edge of Siberia). We need to ride for 7 hours including lunch break. Riding in the Taiga is exciting and challenging. If needed, we make sure you are will lead by very experienced guides. The scenery, mountains, streams, tundra area, is spectacular. There are many wild flowers, birds and if we are lucky, we will see wild red colored deer. When we arrive at the teepees of the reindeer families, you will be welcomed and made to feel at home. We will spend the next two days, experiencing Tsaatan life. Overnight accommodation will be in a teepee.

Day 11 Full day of rest.

We experience Tsaatan/reindeer herder's everyday life and can ride a reindeer and help with any chores, from milking. Today we meet with Shaman. Overnight accommodation will be in a teepee.
